FAQ

Does this go through my business domain?

No. We will use an alternate domain specifically for cold outbound emailing that you will have access to.

Do I need to purchase an email list?

No, you don't have to have your own list. We will curate a list for you based on your ideal client demographic.

How will I know how my campaign is doing?

Not only will you see leads **POUR** into your inboxes, but we will also keep you updated with a monthly statistics report.

Who writes the email campaigns?

WE DO! We also run all campaigns through spam checker for optimal deliverability.

Will my campaign be personalized?

YES! Your messages will be personalized using our detailed research on your company and prospects.

Do you have testimonials from clients?
